TRAVEL INSURANCE –

Because the deposit and final payment are non-refundable, TRAVEL INSURANCE IS HIGHLY RECOMMENDED. Please check one:

_____ Yes, I am interested in travel insurance. Please contact me about coverage. (For full benefits including existing medical conditions coverage, insurance should be purchased within 14 days of trip deposit). There are many options for coverage, and Lissa Karron (our Travel Consultant) will purchase insurance for you and assist you in making a choice that makes sense for your needs. (Note that there are other more basic plans which are state specific, and she can share those with you depending on the state you reside). If you purchase insurance on your own, a minimum of \$200,000 emergency medical evacuation is recommended. Do not purchase insurance until we know the trip has 15 participants, and we will know this on December 2nd. (Note that your credit card will not be charged until December 2nd by Celtic Tours).

_____ No, I am not interested in purchasing travel insurance, and understand that the deposits are non-refundable, and understand that if I need medical assistance while traveling, I will seek it and pay for it on my own.

Please Note:

- Deposit will be refunded to you if we do not have enough participants.
- While the refund policy may seem “harsh”, we are unable to refund money once we make the decision to go because there are non-refundable costs associated with the tour that we must pay, and we need to be assured of a minimum number of participants. Furthermore, if you have purchased travel insurance and you are unable to go due to a covered reason for trip cancellation, the travel insurance company will reimburse you.
- Please complete and sign this form.
